Notification

to all QCAs & Wind & Solar Generators in the State of Maharashtra

On dated Hon'ble MERC has notified MERC (Forecasting, Scheduling & Deviation settlement for Solar & Wind Generation) (Amendment) Regulations, 2024 on 04-07-2024.

In accordance with the said regulations, your attention is hereby invited towards the responsibilities to be undertaken and adhered by the RE Generators and QCAs in the State as detailed below:

- 1) To furnish PPA rates on duly notarized affidavits to QCA and copy to MSLDC by Wind and Solar Generator along with copies of PPA/EPA by the Generators within 3 months from the date of notification i.e. 03-10-2024.
- 2) Generating Companies to install generating Company-wise, Procurer-wise/Contract-wise SEM meters within 3 months from the date of notification i.e. 03-10-2024.
- 3) To enable MSLDC to monitor mis-declaration of AvC in real time, Generating Companies will have to install IED/RTU/Modem/Communication system, etc to each individual Generating Unit (WTG/Invertor).
- 4) In accordance with the Regulation No. 10.1 (B), non-compliance shall be monitored and generation of defaulting Generating Companies will not be considered for dispatch and to avoid unscheduled injection, action of disconnection will be initiated.

In view of the amendment to the principal regulations, please refer the amended regulation provided on MSLDC website.
